LIVERY CARE DETAILS

Basic Livery (previously assisted)

Suitable for horses whose owners visit 5-6 days per week, do the majority of daily care. Can be rugged or unrugged as required, rugging choices organised by the owners on daily basis. All other services as billable extras. Owners may visit daily but must visit minimum 5 times per week. If owner is on holiday or absent for any period of time horses it is mandatory to put on full livery for that period, charged from day 1 of absence.

Part Livery

Suitable for horses whose owners visit 2-3 days per week, but the team does the majority of daily care. Can be rugged or unrugged as required, rugging choices organised by the owners on daily basis, occasional (once-twice per week) are included. Daily topical or hoof treatments included. See list below for included services, all other services not listed are billable extras. Owners may visit daily but must visit minimum 2 times per week If owner is on holiday or absent for any period of time horses it is mandatory to put on full livery for that period, charged from day 1 of absence.

Full Livery

Suitable for horses whose owners live at distance or have demands on their time that prevent regular visits. The team does ALL daily care. Can be rugged or unrugged as required, rugging choices organised by the team on daily basis. See list below for included services, all other services not listed are billable extras. Owners may visit whenever they like but are not required to. The team will provide regular updates on health and wellbeing via the app.

Retirement Livery – Basic or Full

Suitable for horses not in any type of work or exercise as use of facilities is not included. Occasional day time use of main barn area for grooming, vet and trimming is included. Owners may visit irregularly, no more than 2 per week unless for medical emergencies. Occasional use of the facilities is available at an extra cost.

BASIC - Unrugged and able to cope without rugs unless weather is extreme (wet or cold). All other services as billable extras. If a horse is rugged continuously and/or requires extra services frequently it is mandatory for the horse to be placed on full livery care.

FULL – Rugged and cared for by the team on a daily basis. Can be used in winter and switched to basic in summer. Also good for rehab horses needing hoof boots and extra daily care on track but not using exercise facilities.
